

Our goal is simple: To make our trips as WOW-TASTIC as possible!

Mo-o-o's and More Tour

Date: Saturday, April 17, 2010

Our first stop will be at the PA Dutch Visitor's Center to pick-up our **professional tour guide for the day**. Our guide will narrate as we travel across country roads where time seems to stand still. See the *pristine Amish farms, one-room schoolhouses, windwheels, Amish "phone booths" and farmers working the fields with their horse or mule-drawn plows.*

Our second stop will be at Kreider Farms where we will learn all about the "White Gold of Lancaster County". You will get a first-hand look at the contrast between a high-tech modern dairy farm and an Amish Dairy farm. Watch as a modern dairy operation unfolds with automated precision. We will see cows ride the automated milking carousel, and drive right through their titanic-sized loafing barn that houses over 1200 cows! We will see the entire dairy process FROM FARM TO FRIDGE. **Our third stop is the Ultimate Amish Experience...**an authentic Amish meal prepared and served to you in a real Amish home. Enjoy their kind and gracious hospitality as the family serves you a delicious Penn Dutch feast. A typical meal will include two meat entrees, mashed potatoes, buttered noodles, vegetables, assorted cold relishes, homemade bread, beverage, and desserts. A real taste of Amish life doesn't get any better than this! **Our fourth stop will be to visit an Amish Millworking shop** in operation, where fine-quality wood furniture and crafts are created by skilled Amish craftsman. See how generators are used to generate power for shop equipment, etc. **And lastly**, back to the Visitor's Center to drop off our tour guide...and then home we go!
