Greetings!

After all the hustle and bustle, the preparation for the Holidays and our business year-end financials, I want to take this time to wish you all a very happy and a prosperous New Year! I also want to thank all the wonderful members who have been such a great help and of such tremendous support to me and the chapter this past year. We are so fortunate to have such dedicated members – Jackie Berman, Judy DeFeo, Linda Coppelino, Eileen Shrem, Carol Heller, Pat Ellson, and Marion Welsh. These lovely women were also the backbone for our chapter fundraiser, the Holiday Auction last month.

While our profits were down from years past, indicative of our economical times, they managed to create an atmosphere of camaraderie that made the evening so much fun! I also want to thank Pat Ellson for donating the beautiful centerpieces which were given out as door prizes to the lucky winners. John J. Slattery Insurance was once again a sponsor of the event. We truly appreciate their generosity and support over the years. We welcomed a new sponsor, PNC Bank and thanked them for their sponsorship.

On December 9, we held our Holiday Luncheon which is much more than just a meal. You could purchase a table to showcase your products to sell and we had a gift swap – participants brought a wrapped gift of \$25.00 or less to participate in the fun. The luncheon was at the lovely Trump National Golf Club in Colts Neck. Unfortunately “The Donald” was not there but we had a wonderful time and thoroughly enjoyed the hospitality of everyone at Trump National.

On January 27th, our meeting will be at Villa Vittoria in Brick for our Chapter Awards Dinner, which is a very special evening at which we recognize members who have gone above and beyond their duties in their great support of our chapter. If there is someone that you would like to nominate for a Teal Heart or Business Women of the Year, please contact Dawn Nakash, dawn@daybreakmarketing.com.

I would also like to invite you to think about getting involved with the chapter. We can always

use volunteers to help on committees and during events. I have said it many times that the value of your membership is what you put in to it. When others get to know you and what you do, they are able to reach out to you for your services or refer you to someone else.

Respectfully,
Sue Fitzpatrick
