

DREAM FACTORY OF THE JERSEY SHORE

An all volunteer organization that helps fill dreams for critically and chronically ill children

Photo courtesy of David Turton

In June 2010, six Jersey Shore women made their dream come true when they formed the first New Jersey chapter of Dream Factory, Inc., the second largest wish granting organization in the nation. From left to right: *Janet Paulmenn*, Point Pleasant, *Bonnie Murphy*, Brick, *Robin Baine*, Brick, *Luanne Wood*, Wall, *Patricia Hahn*, Toms River, and *Francine Chussler*, Brick.

Since its formation, the DFJS has fulfilled the dreams of three chronically ill children. The chapter was awarded *The Outstanding New Chapter Award* at the 2010 national convention in September and already have several dreams planned for 2011.

There are children in Monmouth, Ocean and Middlesex counties who deserve something special. If you would like to refer a child for a dream, volunteer, donate, or form a chapter in your area please contact:
